

CITY OF LEEDS TRAINING COLLEGE.

To Head Teachers of Leeds Schools.

13th February, 1945.

Dear Sir or Madam,

I should be obliged if you would bring the following to the attention of your Staff.

Yours sincerely,

*R. W. Rich,*

Miss Helen Simpson: Testimonial Fund.

Miss H.M. Simpson, Vice Principal of the College since 1933, will shortly take up an appointment as Principal of an Emergency Training College. To recognise her services to the College a Testimonial Fund has been opened. Contributions are invited from former Staff and Students, and should be sent to the Hon. Treas., Miss C.E. Treloar, High Cliff, Filey Road, Scarborough.

Old Students are asked to make this as widely known as possible among their fellow Old Students, since it is impossible under present conditions to send out a general circular.
