

CITY OF LEEDS AND CARNEGIE COLLEGE O.S.A.

19th May, 1987.

Headingley.

Dear Old Owls,

Greetings once again from Headingley, and it's good news: seven games played and seven won!

Your Committee Members have been busy arranging Reunion 1987 and are looking forward to a good turn up as a reward for their labours; so rally as many members and friends as possible.

Our guest of honour at the dinner is to be Miss Joyce Pogson, past member of the academic staff, and Miss Joan Illingworth (1954-6) will reply to the toast "C.L.C.C."

Make sure you send in your applications early; college caterers require numbers before they go on holiday. We too hope to be away!

We received news that Mr. Jimmy Lawton, O.S. and past member of the academic staff, 1934-40), died recently. Members of your Committee attended the funeral of Mr. John Houghton (Rural Studies Department, 1947-72) who died early this year. Also we attended a memorial service at Burley-In-Wharfedale for Mary Lea (née Turner, 1940-42). You may remember that Jim Lea was our organist at the Reunion services for several years.

Recently we had the pleasure of visiting Beryl Osbourn (née Branson, 1924-26) and her husband in Brighouse. We saw the stained glass panel she had designed and made for her 'Advanced Art' C.L.T.C. examination, and heard the fascinating story of Beryl's family, who were stained glass artists, their studio in the Midlands providing windows for many schools and churches in the U.K.

We have an interesting story to tell regarding a C.L.T.C. College blazer; but come to the A.G.M. to hear it - it's too long for this letter! If you have any interesting news of "Old Students" please pass it on to us.

The Annual College Garden Party is to be held on Sunday, 21st June, 2.00 p.m. at Beckett Park (in aid of N.S.P.C.C.) All are welcome! Notice on your way up that the filter beds at Churchwood have taken on a new look.

See you in September.

D O N ' T D E L A Y - R E P L Y T O - D A Y !

Best wishes,

MARGARET AND EVELYN
