WELCOME

On behalf of all students and staff of the College we welcome you to our 1976 Garden Party and Open Day. Our intention is to provide you with a most interesting and enjoyable afternoon's entertainment and we feel confident you will make our efforts worthwhile.

In 1973 we contributed £800 towards the purchase of a kidney machine. In 1974 £1,000 towards the purchase of a minibus by the South Leeds Community Service Association. In 1975 £1,000 for a number of local organisations concerned to help young people combat social, physical or mental handicap and live a fuller life. Our aim today is to repeat that achievement.

You will agree that there are few causes more deserving than this, and we are proud to help in such a practical manner.

We would like to thank all those who have supported us in making this event possible but most of all YOU. The success of any venture such as this depends upon YOUR GOODWILL and without your support such desirable charity work would never materialise.

PLEASE BE GENEROUS IN YOUR SUPPORT AND ENJOY YOURSELVES.

AND -
THANK YOU.
