Dear Mr. Longard.

Enclosed cheque 7/6 for films.
I am so very sorry I haven't dropped you
a line before now - to thank you very
much for your help in sending me your
films. I appreciate it very much.

So please let me have your
orders if you can possibly spare them -
at the same rate of course!!

I am afraid the idea of
purchasing copies will have to be out
of the question for the moment. Comedies
won't play!!

So let me know if I can
possibly have some more films from you.

Yours sincerely.

Donald W. Ham.
